Re: **PROPOSED 4TH TANZANIA ENERGY CONGRESS,
DAR ES SALAAM 4-3 AUGUST 2022**

Reference is made to your letter with Ref. No. OBOTOG/2021/1,
dated 13th August, 2021 regarding the captioned subject.

2. The Ministry of Energy is delighted to support the fourth edition of the Tanzania Energy Congress, taking place on 3rd and 4th August 2022, in Dar es salaam, Tanzania.
3. The Congress will act as a forum for both national and international business leaders, investors, and new contractors to network and exchange ideas, with the ultimate aim of developing and identifying new opportunities which will exist within the energy sector of Tanzania. I would like to actively encourage all companies involved in the energy sectors of Tanzania or those seeking opportunities within it, to attend and participate in this crucial industry event and I look forward to personally welcoming you to Dar es Salaam in August, 2022.

4. The Ministry of Energy, along with key event partners and supporters from the government of Tanzania looks forward to welcoming delegates and participants at this important event to discuss the exciting opportunities for collaboration and to progress all energy related projects in Tanzania.

5. The Ministry has officially endorsed the 4th edition and I will open the Congress with a speech highlighting the plans and priorities of the Ministry of Energy with regards to the next strategic steps in both energy and hydrocarbons sectors in Tanzania.

Thank you for your continued cooperation.

Janjary Yusuf Makamba
MINISTER FOR ENERGY
